

# DrainGuardian™

Patent Pending AU2010903767

## The Floor Waste system that helps prevent the spread of disease

- KILLS BACTERIA ON CONTACT
- PREVENTS THE SPREAD OF MOULD & FUNGUS
- STOPS ODOURS & FOUL SMELLS
- PREVENTS INSECT INFESTATION
- EASY TO INSTALL OR RETROFIT 80 mm/100 mm wastes
- ENVIRONMENTALLY FRIENDLY

DrainGuardian™ is available to suit 100 mm diameter drains with square or round flanges to suit all floor surfaces including tiled, screeded or vinyl. Easily installed during construction the product can also be retrofitted in minutes to existing floors with suitable flanges.

DrainGuardian™ has been tested to meet all required Australian Standards and is fully watermarked.
